1.1 Manuscript requirements [Subsection Title; 9pt, Bold font, Left-aligned]

- Paper size: A4 (210 x 297 mm)
- Margins: Top and Bottom = 25 mm, Left and Right (title area) = 25 mm, Left and Right (two-column area) = 15 mm, Column separation = 6 mm.
- Font setting: Refer to the Table 1.
- Resolution of figures: High resolution image that are more than 300 dpi.
- Captions of figures and tables: "Fig.# Title of the figure" and "Table # Title of the table."
- Axis names: Do not use just variables but show specific words and units for representing the axes.
- Equations: Describe equations at the center of line and specify equation numbers with a right alignment. In texts, show the equation numbers like "Eq. (1)."

$$M\,\ddot{r}_{str1} + F_{frk} = M\,g \qquad (1)$$

- Unit systems: Use the SI units.
- When you refer literature in the texts, insert the reference number after the words or sentences referred (For example, the study[1]). If the referred word is a subject or an object, do not use the reference number alone but describe like "The study[1] reports ... ."
- Prefix ○ to the author's name who make a presentation.
- Your manuscript should be converted to a PDF. Please submit only the PDF. Follow the instruction on the website to submit the manuscript.

※ Note that the file size of the PDF must be less than 2 MB, and the page length is 2-4 pages.
※ Do not include the Paper ID, the conference name, and page numbers.
